### ABOUT ME

With over two years of experience in web design and development, I create responsive, visually engaging websites. Skilled in Webflow, Framer, Wix, Figma, and React JS, I craft custom digital experiences that connect with users.

### PROFESSIONAL EXPERIENCE

#### Web Developer and Webflow Designer

Victorflow

- At Victorflow, I transformed Figma designs into live websites, built 17+ Webflow templates, and enhanced user experiences with HTML, CSS, JQuery, and JavaScript
- I led the development of a Share Market website, building EMI, SIP, and brokerage calculators with JavaScript and jQuery for seamless performance.

#### Online Tutor (Math)

Focus Edumatics

As a dedicated Math Tutor for U.S. students, I embraced the challenge of remote education, crafting personalized math lessons that made complex concepts accessible and engaging. My approach was to transform abstract theories into practical understanding, helping students build confidence and excel in their studies.
